

Steps to put the TFP Internet website in compatibility view in Internet Explorer 11.

In I.E.11, while a site is up, click on the **Gear icon** at the top right corner of your IE window and choose **Compatibility View settings**.

Add the TFP domain name <https://tfp.dhs.tn.gov> into the website list that IE will be turning on Compatibility View automatically for you. Click Close.

You should now be able to browse the TFP website in IE.11.
